

# Citizen Alert Program

Get alerted about emergencies and other important events by signing up for the Citizen Alert Program. This notification system helps local officials to provide you with critical information quickly in a variety of situations such as fire, flood, road closures, missing persons, and evacuation of buildings and neighborhoods. People with disabilities who need assistance to register call Jackson County Emergency Management at 541-776-7338.

**Email address is:** alert [at] jacksoncounty.org ( )
