

CITY COUNCIL

MEETING AGENDA

Tuesday June 13, 2023, 6:00 PM
City Hall, 420 Sixth Ave

1. Call to Order/ Roll Call/Pledge of Allegiance

2. Agenda Adjustments

Adjustments to the agenda are limited to a change in the order of business to accommodate visitors making presentations or citizens who are attending for the purpose of a single agenda item. Adjustments in the form of additions to the agenda are discouraged because the general public has had no prior notice of their consideration, and therefore interested persons will not have an opportunity to participate. Adjustments in the form of deletions from the agenda may be accomplished here so long as there is disclosure of the reason for the deletion and an indication as to when or if the item will be placed on a future agenda.

3. Announcements, Correspondence, Awards and Proclamations

4. Public Input — Limited to 5 minutes or less per speaker per Mayor's discretion

5. Public Hearing

- A) Resolution 23-R-10 Certifying eligibility to receive State shared revenues
- B) Resolution 23-R-11 Declaring City's election to receive State shared revenues
- C) Resolution 23-R-12 Adopting the FY23-24 Budget, creating appropriations, setting, imposing and categorizing the tax

6. Consent Agenda

None

7. Action Items

8. Reports from Councilors

9. City Manager Report

- A) City Manager Recruitment – Status Update
- B) FY 2020-21 and FY 2021-22 Audits – Status Update
- C) Powerhouse Design Alternatives Project - Grant Status Update

10. Adjournment

Note: This agenda and the entire agenda packet, including staff reports, referenced documents, resolutions and ordinances are available at the Gold Hill City Hall in advance of each meeting 420 6th Avenue (P.O. Box 308), Gold Hill, OR 97525. Information can also be viewed at www.cityofgoldhill.com

Council Communication

Agenda Item	FY23-24 Budget Resolutions		
From	Adam Hanks	Interim City Manager	
Contact	Adam.hanks@cityofgoldhill.com	Date	June 13, 2023

SUMMARY

With the Budget Committee approval of the City Manager’s Recommended Fiscal Year 2023-24 Budget, Council now has the opportunity and responsibility to review, make adjustments as necessary and adopt the budget and property tax rate along with the passage of several additional resolutions to ensure eligibility and acceptance of state revenue sharing funds.

PREVIOUS COUNCIL ACTION

June 5, 2023 – Gold Hill Budget Committee Public Hearing for review and approval of the City Manager’s Recommended Budget for Fiscal Year 2023-24 and approval of property tax rate.

BACKGROUND AND ADDITIONAL INFORMATION

The Budget Message at the beginning of the budget document provides a narrative summary of the proposed budget. It is important to reiterate that the budget utilizes estimates for beginning fund balance that do not have the benefit of using the 2021-22 Audit for reference as that audit has yet to be completed (scheduled to be completed and submitted by June 30, 2023). This is less concerning in this case because the proposed budget does not utilize any beginning fund balance in the appropriations for the fiscal year. If this budget remains unchanged and is able to be adhered to over the course of the fiscal year, the result is growth in fund balances and much more accuracy in fund balances as the FY2024-25 budget is developed.

FISCAL IMPACTS

Budgets and the resulting appropriation levels are the foundation for the City to confidently provide the core services the public entrusts the City to professionally perform. The proposed budget will fund the current service levels of City operations for these core services. This is able to be done in the face of inflationary rising costs to provide those services due to rate and fee increases approved by Council in April of 2023 that will be effective July 1, 2023. While these increased rates and fees will no doubt impact residents and businesses of Gold Hill, they are critical to improving the financial stability of the City as an entity.

STAFF RECOMMENDATION

Staff recommends Council adoption of the Budget Committee approved City Manager’s Recommended Budget for Fiscal Year 2023-24 and associated resolutions ensuring the eligibility and acceptance of state revenue sharing funds critical to the organization’s ability to provide core services to the community of Gold Hill.

ACTIONS, OPTIONS & POTENTIAL MOTIONS

- 1) I move to approve Resolution 23-R-10 declaring the City’s certification of eligibility to receive State shared revenues.

AND

- 2) I move to approve Resolution 23-R-11 declaring the City’s election to receive State revenues.

AND

- 3) I move to approve Resolution 23-R-12 adopting the budget for the city of Gold Hill for Fiscal Year 2023-24, creating appropriations, setting, imposing and categorizing the tax.

Note: Each motion should be made and voted on separately, but all three motions are required to complete the budget approval and adoption process.

3. Resolution 23-R-11 – Declaration of election to receive State revenues
4. Resolution 23-R-12 – Adoption of budget, creation of appropriations, setting, imposing and categorizing the tax

City of Gold Hill

FY 2023-24

City Manager's Recommended Budget

Gold Hill Budget Committee and Citizens of Gold Hill,

I am pleased to present a City Manager's Recommended Budget for the 2023-24 fiscal year. Over the past seven months of my interim appointment as City Manager, the task of understanding the current state of the financial position of the City was of primary importance and significant progress has been made.

However, there is no doubt that much more focus and attention to the City's current and future financial position is of utmost importance to move the organization from financial survivability to financial resiliency. This cannot be accomplished with this proposed budget alone; financial resiliency is a longer term goal that will require discipline both in operations and in community service desires over a multi-year span to maximize the value to the community of the funds entrusted by the community to manage.

Year in Review

Before the forward look towards the 2023-24 fiscal year, it is worth looking back and noting a few of the accomplishments of Council, staff and the community. They include:

- Initiating a community vote for annexation into the Rogue Valley Sewer Services special district territory
- Passage of a Unified Fee Schedule that included several new fees and increases in a number of other fees to maintain existing services levels and make incremental progress in deferred maintenance to key public infrastructure, including the tremendous asset that is the Gold Hill Park system.
- Grant awards for fuels reduction on City lands, initial design options for the Powerhouse structure and wetlands area in the Sports Park, street paving projects
- A number of successful community events enhancing livability and bringing guests to visit, enjoy and spend time in Gold Hill
- Continued staff focus on regular cleaning, mowing, cutting and general day to day upkeep of the downtown area and the parks system.
- Adoption of a completely revised and updated land use development code that offers greater flexibility and creativity for renovation and expansion of uses of the lands and buildings in Gold Hill.
- Completed one of the two annual audits that were in arrears (FY2020-21) with the FY2021-22 audit scheduled to be completed by June 30, 2023.

- Increased participation in City Commissions and Committees improving collaboration and decision making for Council and staff.

Challenges Ahead

The City of Gold Hill has an impressive array of services that it provides to the community, most notably its own water treatment and distribution system and its parks system. As with most cities in Oregon and well beyond, the ability to properly maintain, upgrade and replace critical infrastructure is extremely challenging and requires constant attention, planning and timely access to outside resources such as grants or low interest loans to augment the local funds that are dedicated to this work.

With the creation of several new fees targeted to the parks, facilities and street systems and rate increases for both the sewer and water systems, incremental progress can be made in addressing many of the deferred maintenance issues that Council and staff know exist but have had challenges in funding. However, more robust capital improvements planning will be necessary over the next 12-18 months to support Gold Hill's necessary efforts in securing state and federal funds for the infrastructure work that is beyond the financial capacity of the local community.

Recruitment and retention of staff is an important accompaniment to the longer-range capital planning that will be needed, as is the continued efforts in addressing prior year financial record keeping issues that make future financial planning challenging to accurately estimate.

Budget Overview

The recommended budget for fiscal year 2023-24 of \$2,097,808 is within 2% of the approved budget for FY 22-23. However, a summary total budget of all funds does not provide much in the way of comparable review or of the financial goals and objectives embedded in each budget. That can be better accomplished in looking at each of the individual funds.

Additionally, while the overall financial position of the City is known, prior year funds (carry-forward) were required to be estimated by the City Manager with the assistance of the City's audit firm as the audit for 2021-22 has not yet been completed. With the completion of the 2021-22 audit, a review of the appropriations recommended in this budget is recommended to ensure budgetary compliance and identify the necessity for supplemental budget adjustments during the fiscal year.

Below is a summary narrative by fund to aid in understanding the forecasts and needs addressed.

General Fund

The general fund contains revenues that are the most discretionary, meaning they are the least restricted funds and provide for the general operations of the City's administrative functions as well as operational funding for parks maintenance and improvements. Administrative costs that are directly attributable to the operation and administration of any of the City's enterprise (utility) funds are shown in each of those individual funds with all remaining costs allocated to the general fund, generally staffing and technology/billing costs.

Of note in this year's general fund budget is grant revenue for fuels reduction of \$70,000. The grant is a total of \$140,000 over a two-year period and includes funding for a seasonal employee and associated equipment for fuels reduction on City lands.

A new fee of \$3 per month on all customer utility bills for parks and public facilities maintenance was recently approved by Council adding approximately \$20,000 that will in part be utilized to repair the irrigation system at the Sports Park. This fee and also lease revenue from the Oregon State Police use of a portion of City Hall for two to three years is allocated to re-roofing City Hall.

Other planned Parks improvements include parking surface and striping improvements at the Boat Ramp area in the Sports Park and electrical service and lighting at City Park.

Public Safety Fund

This fund has no appropriations proposed and its carry forward balance will be absorbed into the general fund until such time as Council and staff determine cost effective, practical options for enhanced public safety efforts in the community.

Street Fund

This fund receives its revenues from restricted state highway trust funds (gas tax). The City is a recipient of the Oregon Department of Transportation Small Cities Allocation program and will have \$223,000 in this coming fiscal year for six to seven street rehabilitation and re-surfacing projects that should occur in the first several months of the new fiscal year.

Some staffing is allocated to this fund for general maintenance of the street system, street sign maintenance and replacement and minor surface repairs.

Sewer Fund

This fund is proposed to be funded and operated as it has in prior years with the predominant revenue coming from charges for services from sewer customers and the predominant expense coming from professional services for the current contract operations to Rogue Valley Sewer Services.

With the potential for the City to be annexed into the RVSS district, this fund would

require significant alteration, but because that is a vote of the residents of the community, the budget is based on continued standard operations. Should the annexation occur, staff and Council will make appropriate supplemental budget decisions to address the outcome and next steps.

Water Fund

Similarly with the Sewer Fund, this fund generates its revenues primarily from chargers for services (sale of treated water) to the community and its expenses are primarily for professional services for contract operations of the Water Treatment Plant. City staff do augment the contract work by conducting some maintenance and repair of the distribution system.

The City is a recipient of a \$125,000 federal grant that will provide improvements to the raw water intake equipment where water is taken in from the Rogue River and sent to the City’s treatment plant then on to the reservoirs for storage and delivery to the community.

Storm Water Fund

This fund receives its primary funding from a \$3 per month fee on utility bills that provide for some level of maintenance and repair to the storm drain system. Of note in this fund is a transfer of \$50,000 from the general fund that is a Council approved allocation of a grant from the Middle Rogue Metropolitan Planning Organization. These funds are allocated to several large-scale repairs (\$15,000) and to the development of a Storm Water Master Plan (\$35,000).

SDC Funds

Systems Development Charges are regulated by Oregon Revised Statutes and allow communities to develop a methodology to collect funds relating to infrastructure costs associated with growth, typically tied directly with capital improvement plans for each of the categories of SDC that each community implements. The City of Gold Hill collects and manages SDC’s for water, sewer and storm drains. No utilization of these funds are proposed as part of this budget. The fund balances may grow with development activity and be utilized in future years for grown eligible components of infrastructure projects.

Debt Service

The City has four debt instruments, two relating to the water system and two relating to the sewer system.

- Water Intake Relocation \$15,075/yr through 2029
- Water Treatment Plant improvements \$7,565.22/yr through 2042
- Sewer collection system rehab \$30,128.33/yr through 2024
- Sewer collection system improvements \$27,297/yr through 2056

Each of these debts are paid via charges for service from each of their respective enterprise funds, with some historically being transferred to a reserve fund then to the individual debt funds and some transferring directly from operating to debt.

Individual funds for each debt instrument are not legally required and may be something to consider consolidating in future years.

Summary

All budgets are necessary and important forecasting exercises and for local government, also the means for the approval to expend funds (approval of appropriations). The recommended budget does not anticipate using carry forward/beginning fund balance, but as noted above, using estimates for carry forward/beginning fund balance necessitates close monitoring of expenditures and revenues to ensure financial compliance and accomplishment of financial goals and objective.

This recommended budget provides the City with a solid financial forecast and appropriations to maintain existing services levels in the face of rising costs and is intended to help bolster the fund balances in future years to give this and future Councils the ability to continue to improve the services and infrastructure Gold Hill residents and businesses count on the City providing.

Respectfully submitted,

Adam Hanks
Interim City Manager

1 **RESOLUTION NO. 23-R-10**

2 A RESOLUTION DECLARING THE CITY’S CERTIFICATION OF ELIGIBILITY TO
3 RECEIVE STATE SHARED REVENUES

4
5 **Recitals:**

- 6 A. ORS 221.760 provides as follows:
 - 7 Section 1. The officer responsible for disbursing funds to cities under ORS 323.455,
 - 8 366.785 to 366.820 and 471.805 shall, in the case of a city located within a county having
 - 9 more than 100,000 inhabitants according to the most recent federal decennial census,
 - 10 disburse such funds only if the city provides four or more of the following services:
 - 11 1) Police Protection
 - 12 2) Fire Protection
 - 13 3) Street Construction maintenance and lighting
 - 14 4) Sanitary Sewers
 - 15 5) Storm Sewers
 - 16 6) Planning, zoning and subdivision control
 - 17 7) One or more utility services
- 18 B. The City officials recognize the desirability of assisting the state officer responsible for
- 19 determining the eligibility of cities to receive such funds in accordance with ORS
- 20 221.760

21 **NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GOLD HILL,**
22 **OREGON, RESOLVES AS FOLLOWS:**

23 SECTION 1. That the City of Gold Hill, pursuant to ORS 221.760, the City of Gold Hill hereby
24 certifies that it provides the following five services enumerated in Section 1, ORS 221-760:
25 Street Construction, maintenance and lighting, sanitary sewers, storm sewers, planning zoning
26 and subdivision control, one or more utility services (water).

27 ADOPTED by the City Council this _____ day of June, 2023.

RESOLUTION NO. 23-R-11

A RESOLUTION DECLARING THE CITY’S ELECTION TO RECEIVE STATE REVENUES

Recitals:

- A. The City of Gold Hill has levied property taxes in the preceding fiscal year and is therefore qualified to receive state revenue sharing funds
- B. The City of Gold Hill Budget Committee held a public hearing on the possible uses of the funds on June 5, 2023.
- C. The City of Gold Hill City Council held a public hearing on the proposed use of these funds in relation to the entire City budget on June 13, 2023

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GOLD HILL, OREGON, RESOLVES AS FOLLOWS:

SECTION 1. That the City of Gold Hill, pursuant to ORS 221.770, the City of Gold Hill hereby elects to receive state revenues for fiscal year 2023-24

ADOPTED by the City Council this _____ day of June, 2023.

ATTEST:

Darlene (Dee) Giana-Larez, City Recorder

SIGNED and APPROVED this _____ day of June, 2023.

Ronald Palmer, Mayor

RESOLUTION NO. 23-R-12

A RESOLUTION ADOPTING THE BUDGET FOR THE CITY OF GOLD HILL FOR FISCAL YEAR 2023-24, CREATING APPROPRIATIONS, SETTING THE TAX AND IMPOSING THE TAX AND CATEGORIZING THE TAX

Recitals:

- A. The City of Gold Hill Budget Committee held a public hearing reviewing and approving the City Manager’s Proposed Budget for FY23-24 on June 5, 2023.
- B. The City of Gold Hill Budget Committee held a public hearing approving the property tax rate on June 5, 2023
- C. The City of Gold Hill City Council held a public hearing reviewing and approving the Budget Committee’s approved budget on June 13, 2023.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GOLD HILL, OREGON, RESOLVES AS FOLLOWS:

SECTION 1. That the City of Gold Hill, Oregon hereby adopts the budget for fiscal year 2023-214 in the total amount of \$2,734,725. This budget is now on file at City Hall in Gold Hill, OR
