Call 811 or go to www.digsafelyoregon.com

Avista reminds you, safe digging is no accident. Before beginning any outdoor digging project, call 811 at least 2 business days before you dig. Calling 811 will get a professional locator to your site to mark the approximate location of underground utility lines. There is a two-foot tolerance zone on each side of the line, and it is required to hand dig to determine the precise location of the utility in this tolerance zone. This service is free. Remember, you may have your own utilities that require a private locate request at 811.

Knowing where underground utility lines are buried before you dig will help protect you from injury, prevent damages to utilities and service disruptions, and avoid potential fines and repair costs. Underground utility lines can be just about anywhere, so keeping your shovel in the shed or garage and calling 811 first is a smart move (**and it's the law**). Every digging job requires a call – even small projects like planting trees and shrubs. The depth of utility lines varies and there may be multiple utility lines in a common area. Here are just a few examples of when to call:

- Installing a rural mailbox
- Putting in a fence
- Planting a tree or shrubbery
- Building a patio or deck
- Excavating a new garden area

Southern Oregon Strong Business Grant Program

The Chamber of Medford & Jackson County has partnered with the Oregon Legislature and the Oregon Dept of Administrative Services to provide limited business grants to respond to the COVID-19 public health emergency and its economic impacts. The Southern Oregon Strong business Success Grant Program is designed to provide direct payments to eligible businesses in Oregon House District #4 who have or are currently experiencing losses due to the impact of COVID-19.

Gold Hill City Wide Clean Up Day

Saturday, May 20th, 2023 ~ 8:00 am Until filled
Mark your calendars for this big event!

Time to clean out the old stuff, dump the junk and clear out the yard debris. Then, bring your load to the Gold Hill Sports Park parking lot for free disposal. Metal scrap and electronics **WILL** be accepted. **Proof of residency will be needed!**

WAIT, THERE ARE RESTRICTIONS! ITEMS NOT TAKEN IN DROP BOXES:

| | |
|-----------------------------------|-----------------|
| Appliances | Asbestor |
| Computers | Dead Animals |
| Flammable Material | Hazardous Waste |
| Large amounts of dirt or concrete | Monitors |
| Paint | Televisions |
| Tires | Tree Stumps |

If any of these materials are found upon pick up, a drop off box may not be pulled until the material is removed and/ or additional charges may be applied. Please help by avoiding dumping these materials. Volunteers will be on site to help with unloading if needed.

This event is co-sponsored by the City of Gold Hill, JCDF #3 & Can-Do!

Note regarding Sing into Spring....

Parking for the event will be limited at the Sports Park..
There will be a shuttle running between downtown Gold Hill
(place TBD) and the Sports Park. For more information as it

We will be collecting **Blue Bags** at the Sports Park on **Clean UP Day** sponsored by the City of Gold Hill and CanDO. You can bring all those bottles and cans you discovered during your spring cleaning out to the park and drop them off at our **Blue Bag Booth**. We accept any color bag but of course we prefer **Blue Bags**! When you drop off your bags of bottles and cans, you can pick up some of those **Blue Bags** and take them home to continue your bottle and can collecting. Remember you can always get more **Blue Bags** or drop off full **Blue Bags** at City Hall.

See you on May 20! Your continued support is much appreciated!
