BEFORE THE BOARD OF COUNTY COMMISSIONERS

STATE OF OREGON, COUNTY OF JACKSON

IN THE MATTER OF INITIATING THE )  
FORMATION OF A JACKSON COUNTY )  
ANIMAL CONTROL SERVICE DISTRICT )

ORDER NO. \_\_\_\_\_

WHEREAS, the current Jackson County Animal Shelter (current Animal Shelter) was built prior to 1975 with an original capacity of 14 kennels for dogs; and

WHEREAS, in 1975, the current Animal Shelter was expanded to include office space for the Animal Shelter and Animal Control staff, and an additional 16 kennels for dogs were added; and

WHEREAS, in 1991, the current Animal Shelter was expanded again and an additional 25 kennels for dogs were added; and

WHEREAS, today, the current Animal Shelter has 86 kennels to house dogs; and

WHEREAS, the number of dogs housed at the current Animal Shelter frequently exceeds the number of available kennels and requires that dogs be housed in dog crates; and

WHEREAS, the current Animal Shelter has minimal resources to house and provide care for animals other than dogs, including cats; and

WHEREAS, the current Animal Shelter no longer meets the needs of Jackson County and the public for the care and custody of dogs and other animals, including cats; and

WHEREAS, the current Animal Shelter has reached the end of its life, as design and operating standards for animal shelters has evolved since the current Animal Shelter was built, and the current Animal Shelter has reached its capacity to be renovated, remodeled, and expanded to accommodate the need for the housing and care of dogs and other animals, including cats; and

WHEREAS, Chapter 451 of the Oregon Revised Statutes (ORS) provides for the establishment of a county service district for animal control services which includes authority for the construction, maintenance, and operation of installations, works, or services provided for the purpose of animal control services; and

WHEREAS, without the establishment of a county service district for animal control services, Jackson County will not be able to construct, maintain, and operate a new animal control facility (New Animal

Shelter) which adequately meets the needs of the County and the community to house and care for dogs and other animals, including cats; and

WHEREAS, ORS 451.435 provides that all county service districts shall be initiated, conducted, and completed as provided by ORS 198.705 to 198.955; and

WHEREAS, ORS 198.835 authorizes the county board of commissioners to initiate the formation of a district by an order and sets forth the requirements of that order including setting the date, time, and place of a public hearing on the proposal to form the district; and

WHEREAS, ORS 198.840 requires that notice of the public hearing on the proposal be given in the manner set forth in ORS 198.800, except that the notice shall state that the County Board has entered an Order declaring its intention to initiate the formation of a county service district.

Now, therefore,

The Board of County Commissioners of Jackson County ORDERS:

1. The Board intends to initiate formation of a county service district for animal control services in Jackson County as authorized pursuant to ORS 451.010(1)(q) and ORS Chapter 451, which is the principal Act governing the formation of such a district, for the purpose of constructing, operating, and maintaining animal control services, including animal control service facilities for the housing and care of dogs and other animals, including cats, in Jackson County.
2. The name of the proposed district is the Jackson County Animal Control Service District (District).
3. The boundaries of the District shall include all territory within Jackson County as described in ORS 201.150, including the territories of the incorporated cities within Jackson County.
4. As required by ORS 198.835(3), certified copies of City Council Resolutions of each city approving this Initiation Order and formation of the District are attached.
5. The Jackson County Board of Commissioners will serve as the governing body of the District as required pursuant to ORS 451.485.
6. The District will have all of the general powers granted by ORS Chapter 451 (the principal Act) necessary and convenient for providing animal control services as permitted by ORS 451.010(1)(q).
7. Specifically, as part of the general powers granted by the principal Act, the District will be authorized to construct, maintain, and operate animal control service facilities, including a New Animal Shelter for the housing and care of animals including dogs and other animals, and including cats, pursuant to ORS 451.420. The proposed conceptual design for the new Animal Shelter is attached hereto as Exhibit A, at a current estimated cost of \$14,954,000.
8. Further, as part of the general powers granted by the principle Act, the District will be authorized to finance the construction, operation, and maintenance of the animal control service facilities, including a New Animal Shelter, pursuant to any of the methods authorized pursuant to ORS 451.490 including use of funds from a fund established under ORS 280.055 or 451.540 to be repaid by the District without interest; assessments against the property in the District with or without issuance of bonds authorized under ORS 223.205, 223.210 to 223.295 and 223.770; service or user charges in the District; connection charges;

District ad valorem taxes; sale of bonds; and funds obtained under ORS 280.040, 280.050, 280.060, 280.070, 280.080 and 280.090.

9. Jackson County voters will be asked to establish a permanent property tax rate limit of \$.1500 per \$1,000 of assessed value for the District as authorized by ORS 451.547. The proposed economic feasibility statement forming the basis for the proposed permanent property tax rate limit is attached hereto as Exhibit B. The District will have authority to levy and collect general property taxes up to the approved rate limit.

10. Pursuant to ORS 198.800 and 198.835, a public hearing on the formation of the Jackson County Animal Control Service District shall be held at the Board's regular meeting on \_\_\_\_\_, 2024, beginning at 9:30 a.m., in the Auditorium of the Jackson County Courthouse, 10 South Oakdale, Medford, and by audio/videoconference. All interested persons may appear and be heard. During this hearing, the Board will hear testimony and receive written comment on the proposed formation of this District, including information about the services to be provided by the District, the economic feasibility of the District, and the permanent tax rate limit. At the conclusion of the hearing, the Board shall determine, in accordance with criteria described in ORS 198.805, whether Jackson County could be benefited by the formation of the county service district and whether the County should continue with the formation process.

11. Notice of the hearing shall be provided to interested persons in accordance with ORS 198.800.

DATED this \_\_\_ day of \_\_\_\_\_, 2024, at Medford, Oregon.

## *Economic Feasibility Statement*

Oregon Revised Statutes (ORS) Chapters 198 and 451 provide the framework for the creation of new districts. Per ORS 198.749, one of the requirements for a new district is the completion of an Economic Feasibility Statement before the circulation of a petition for formation of a district. The Statement shall form the basis for the proposed permanent rate limit for property taxes. Oregon statute requires the Economic Feasibility Statement to contain certain minimum analytic requirements. The Economic Feasibility Statement is to assure the proposed district has an appropriate financial and economic foundation and the basis for the proposed permanent property tax rate limit for the district.

Compliance with the minimum requirements for Economic Feasibility Statement under ORS 198.749 are provided herein as set forth below:

1. A description of the services and functions to be performed or provided by the proposed district.

The proposed district will provide animal control services and facilities, including the construction, maintenance, and operation of a new Animal Shelter for Jackson County and its residents. The proposed new Animal Shelter will provide for housing and care for dogs and other animals, including cats.

2. An analysis of the relationships between those services and functions and other existing or needed government services.

Currently, Jackson County operates an existing Animal Shelter as part of its Animal Services Program. The current Jackson County Animal Shelter (current Animal Shelter) was built prior to 1975 with an original capacity of 14 kennels for dogs. In 1975, the current Animal Shelter was expanded to include office space for the Animal Shelter and Animal Control staff, and an additional 16 kennels for dogs were added. In 1991, the current Animal Shelter was expanded again and an additional 25 kennels for dogs were added. Today, the current Animal Shelter has 86 kennels to house 103 dogs; however, the number of dogs housed at the current Animal Shelter frequently exceeds the number of available kennels and requires that dogs be housed in dog crates. The current Animal Shelter has minimal resources to house and provide care for animals other than dogs, including cats. Thus, the current Animal Shelter no longer meets the needs of Jackson County and the public for the care and custody of dogs and other animals, including cats. The current Animal Shelter has reached the end of its life, as design and operating standards for animal shelters has evolved since the Animal Shelter was built, and the current Animal Shelter has reached its capacity to be renovated, remodeled, and expanded to accommodate the need for the housing and care of dogs and other animals, including cats.

Jackson County operates the only publicly operated Animal Shelter in Jackson County. Animal control for dogs is a function of Jackson County pursuant to Chapter 609 of the Oregon Revised Statutes. As part of the functions of dog control, Jackson County may, at times, be authorized to impound a dog. Impounding a dog requires an animal shelter which meets the needs of the community and the animals in the care of the county at the animal shelter. The current Animal Shelter is insufficient for the needs of the community as it relates to dog control. Further, the current Animal Shelter lacks the resources and capacity to provide care and housing for animals, other than dogs, as part of the County's Animal Services Program.

The revenue Jackson County receives from performing dog control functions is insufficient to properly construct, maintain, and operate animal control services, including an animal shelter, that meets the needs of the County and the community. Jackson County had expenses of \$2,193,218.78 per year, as of fiscal year 2022-2023, for its Animal Services Program. Revenue from performing the animal services control function generates \$636,255 per year, as of fiscal year 2022-2023. Additional revenue is received from

other sources, including the general property tax levied by the County. These existing sources of revenue are insufficient to construct, maintain, and operate an animal shelter which meets the needs of the County and its residents. The revenue from the general property tax levied by the County is needed to support all mandatory and discretionary functions of the County, not otherwise supported by other sources of revenue. The expenditure of the revenue from general property tax is such that no additional funds from the general property tax are available for the animal control services proposed to be provided by the proposed district. The other sources of revenue are outside the control of the County and cannot be relied upon to construct, maintain, and operate the service facilities proposed to be provided by the proposed district on an ongoing basis.

3. A proposed first year line item operating budget and a projected third year line item operating budget for the new district that demonstrates its economic feasibility.

A first-year line item operating budget and a projected third year line item operating budget for the new district are attached as Exhibit 1 to this Economic Feasibility Study, and sets forth a 11-year projection of revenue and expense for operations of the proposed district, exceeding the statutory requirements for a first-year line item operating budget and a projected third year line item operating budget. The additional projections are provided because the nature of the proposed district is such that significant capital expenditures are contemplated to occur. These capital outlays will affect economic feasibility of the district going forward and it is prudent to complete those projections beyond the major capital expenditure to demonstrate economic feasibility of the district going forward.

RESOLUTION NO. 24-R-09

**Resolution Approving a Jackson County Order to Initiate Formation of a Jackson County Animal Control Service District and Consenting To The Inclusion of City Territory Within the Boundaries of the District**

The City Council of the City of Gold Hill, Oregon (City), finds:

- a. The Jackson County, Oregon, Board of Commissioners intends to form a county service district for animal control services under the authority of Oregon Revised Statute (ORS) 451.010(1)(q). The name of the proposed district is the Jackson County Animal Control Service District (hereinafter “District”). The proposed District would have authority to construct, maintain, and operate an animal control service facility, specifically a new Animal Shelter for the housing and care of dogs and other animals including cats.
- b. The Jackson County Board of Commissioners may initiate the formation of the District by adopting an order under authority of ORS 198.835. The Board proposes to include all county territory within the boundaries of the proposed District.
- c. Jackson County voters will be asked to establish a permanent property tax rate limit of \$0.1500 per \$1,000 of assessed value for the District as authorized by ORS 451.547.
- d. The territory of the City may only be included within the boundaries of the District if the City Council adopts a resolution approving the proposed Jackson County Order Initiating Formation of a Jackson County Animal Control Service District. The proposed Order is attached hereto.
- e. The City Council believes that an animal control service district for the construction, operation, and maintenance of an animal control service facility, specifically a new Animal Shelter for the housing and care of animals including dogs and other animals including cats in Jackson County is in the best interests of the citizens of the City.

The City Council of the City of Gold Hill Resolves:

1. The City of Gold Hill, Oregon, hereby consents to the inclusion of all the territory of the City within the boundaries of the proposed Jackson County Animal Control Service District, and approves the Jackson County Board of Commissioners’ proposed Order Initiating the Formation of a Jackson County Animal Control Service District in substantially the form attached hereto.
2. A certified copy of this Resolution shall be forwarded to the Jackson County Board of Commissioners.
