## From the Mayor

### **News headline: “Iconic Galice Resort on Rogue River burns down in fire”**

Sadly, we all read this headline last month and were reminded that, indeed, Fire Season is here. Whether this historic site will be rebuilt or not is an open question, but let’s not lose any other local treasures this Fire Season.

Accordingly, **No Fireworks this 4<sup>th</sup> of July.** This is only common sense, and I don’t want to offend anyone by restating the obvious, but we need to all be on board. No bottle rockets, M80s, roman candles, or other high flying rockets this year. NONE. Offenders will be cited. Save them for New Years.

### **Treasure Hunt – July 3 @ Beach Park – CANCELLED due to Extreme Heat**

Sadly, we are cancelling the Treasure Hunt in order to protect the health and safety of both kids attending and adult volunteers. Not a decision made lightly, nevertheless, it is necessary.

Rescheduled for fall 2021 - see you all then!

### **Code Enforcement –**

Since city council passed the ordinance authorizing vigorous code enforcement, some of you have received written notices. Please take care of business. Problems not fixed will get cited, which may cost you \$250 a day. Get it done.

### **Park Host position –**

How would you like to live in Gold Hill’s Sports Park for free? Sound too good to be true? Gold Hill’s will soon be interviewing for a new position: Park Host. In general, this position will function like the Resident Assistant in a college dormitory- This is the public-facing person who will answer visitor’s questions, collect park fees, maintain order and handle whatever comes up. In return, you get to live in the best riverside site in town. And free of charge! More details to follow.
