Thanks from Fire District 3 for your participation in filling the Bio-Mass bin last month – Bin to return June 26 – 28

“Wow! What an excellent turn out! Thank you Gold Hill for being engaged with Fire District 3. Together we were able to reduce your risk by hauling off nearly 40 yards of flammable vegetation from your community! We intend to host several more Fuels Reduction events in our District over the next few months; and because you responded so well, we will be returning to Gold Hill for our next event at the end of June! Please join our other followers by connecting with us on Facebook (@JCoFD3) and be amongst the first to learn about this and other community events hosted by your Fire District. At Fire District 3, we believe that “Together We’re Better” and you proved us right. This time lets haul off at least 50 yards!” ~ Bob Horton, Fire Chief
